**Warning:** To reduce the risk of fire or electric shock, do not expose this speaker to rain or moisture (including swimming pools or objects filled with liquids, such as vases or drinks). **Warning:** Your speaker has an internal rechargeable battery. Improper usage may result in the speaker becoming hot, ignite, or burst and cause injury if exposed to conditions of abuse.

**Important Safety Instructions:** 1. Always read safety and operation instructions before use. Retain instructions for later reference. 2. For indoor use only. Do not expose speaker to liquid, moisture or humidity. 3. Do not use abrasive cleaners to clean the speaker casing as they may damage the finish. Liquid cleaners can also get inside the speaker and damage internal parts. A simple cloth to wipe away dirt and other particles will do the job nicely. Always unplug the unit before cleaning. 4. Do not expose the speaker to extremely high or low temperatures. 5. Keep the unit away from direct sunlight. 6. Do not attempt to open or modify the speaker in any way as it does not contain any serviceable parts. 7. Please store the speaker in a dry place that is free from extreme temperatures and dust. 8. Always operate the speaker on a flat and level surface. 9. If unit is plugged in, always operate away from small children or small animals as they may play with the power cord. 10. Do not leave a fully charged battery connected to a charger, overcharging may shorten its lifetime. 11. Always dispose of the packaging and speaker in accordance with the local regulations and in a responsible manner.
